Welcome to Uvalde Family Practice Association. We are honored that you have chosen us as your health care provider. Our goal is to provide the highest quality of care for all of our patients in a timely and respectful manner.

We will do our best to provide you with same-day office visits and have early availability with our physicians. You will need to bring your insurance card and driver's license or identification with you for each appointment and verify your date of birth. Please let our staff know if you have had any information changes since your last appointment. If you are unable to provide us with your insurance card, your appointment will need to be rescheduled. You will be asked to fill out new registration forms annually so we may update your information.

All co-pays and past due balances are expected at time of service, unless a prior agreement has been made with our billing department.

We ask that you allow plenty of time to get to the office for your appointment. You may be asked to reschedule your appointment if you are more than 15 minutes late.

We will strive to stay on time. From time to time, a patient emergency arises and we may be running late for your visit. You will have the option to re-schedule or stay to be seen and we will keep you informed of how long of a delay you may experience.

Please bring all of your prescription(s) and over-the-counter medications with you at each visit.

We understand that appointments sometime need to be changed, so we ask that you call in advance if you cannot keep your scheduled appointment.

Our office policy for a missed appointment is: two (2) no-show appointments without a phone call may result in dismissal from the practice.

Providing the highest quality of professional care to our patients is very important to us.

Office hours for patient care are 8:30 am – 5:30 pm

If you need to reach the provider after hours, you can always utilize our answering service at (830) 278-4453.

Prescription Refills: Please call the pharmacy first and give UFPA 3 business days to send in prescription refills.

To schedule labs please call the office.

Welcome to our practice and thank you for choosing Uvalde Family Practice Association for all your health care needs.

Immunization Policy Update

Uvalde Family Practice Association will no longer accept **new patients** whose parents choose not to vaccinate *with the exception of Influenza, Gardasil and Covid-19 vaccines* (which are elective at this time). Dr. Murillo has considered this decision very carefully with the primary concern of **safety** for all our patients and their families. In addition, we will ask **established families** who choose not to vaccinate to speak to their primary care physician about their concerns regarding immunizations, and we will strongly encourage them to implement the CDC Immunization Catch-Up Schedule.

Our goal at Uvalde Family Practice Association is to ensure healthy children and a safe environment for all. Throughout the day we care for infants too young for vaccines, medically-fragile children/adults, and immunocompromised children/adults. Therefore, we take this issue very seriously.

Also, please remember if your child is enrolled with THSteps there is a \$25 penalty per child per month until checkup is completed along with vaccines compliance. It is very important to schedule your child's checkups according to the CDC Immunization Schedule (we will no longer accommodate alternate schedules) and to keep these appointments.

It is a pleasure to care for you and honored that you entrust the care of your children to Uvalde Family Practice Association. We understand that our Immunization Policy will not be acceptable for some families and if this is the case, we will gladly transfer your child's medical records to another primary care provider.

Cecilia Lo Murillo, M.D.

I agree to vaccinate my child according to CDC recommendations in conjunction with my Physician's advice.

I refuse to vaccinate my child according to CDC recommendations.
